

Scaffold Builder V3
AEN31SCFB03
Updated February 2016

Focus Statement

A scaffold builder masters all concepts and procedures involved with scaffold building. This includes handling various conditions in a responsible manner, developing a safety plan, and inspecting scaffold equipment on a regular basis. He/she interprets safety and hazard warnings to ensure the proper handling of scaffolding.

Overview

- Two-hour closed-book examination
- May use a basic function, non-printing calculator
- No extra papers, books, notes or study materials are allowed

Minimum passing score is 75.

Performance Verification

A corresponding hands-on Performance Verification is available.

NCCER Curriculum

All NCCER knowledge assessments are referenced to NCCER's curriculum modules as listed on this specification sheet. You may order books and modules from Pearson by visiting www.nccer.org/order-books-modules/.

Assessment Development

All questions are developed and approved by subject matter experts under the direction of NCCER.

Credentials

Upon successful completion of the knowledge assessment or performance verification, credentials can be viewed and printed by the individual or assessment program through their NCCER Account.

Score Report and Training Prescription

Each candidate will have online access to their assessment results including their overall score and recommended training through their NCCER Account.
