

**Heavy Equipment Operator: Forklift**  
**AEN22FORK04**

*Updated February 2024*

**Focus Statement**

A forklift operator will identify different types of forklifts and their applications on construction sites. He/she will master procedures for lifting, transporting, and placing various types of loads. He/she will also know the duties and responsibilities of operators, as well as safety rules, and operator preventive maintenance duties.

**Overview**

- Two-hour closed-book examination
- May use a basic function, non-printing calculator
- No extra papers, books, notes or study materials are allowed

**Minimum passing score is 75.**

**Performance Verification**

A corresponding hands-on Performance Verification is available.

**NCCER Curriculum**

All NCCER knowledge assessments are referenced to NCCER’s curriculum modules as listed on this specification sheet. This assessment is referenced to NCCER’s 3rd edition of the Heavy Equipment Operations curriculum. You may order books and modules from Pearson by visiting [www.nccer.org/order-books-modules/](http://www.nccer.org/order-books-modules/).

**Assessment Development**

All questions are developed and approved by subject matter experts under the direction of NCCER.

**Credentials**

Upon successful completion of the knowledge assessment or performance verification, credentials can be viewed and printed by the individual or assessment program through their NCCER Account.

**Score Report and Training Prescription**

Each candidate will have online access to their assessment results including their overall score and recommended training through their NCCER Account.
