FOREMAN
(FORE46)
Released June 2009

Overview
This knowledge assessment is a two-hour closed-book examination. You will be permitted to use a basic function, non-printing calculator during the examination. No extra papers, books, notes or study material are allowed in the testing area.

NCCER Curriculum
All NCCER knowledge assessments are referenced to NCCER's curriculum modules as listed on this specification sheet. You may order modules from Pearson (800.922.0579) or from NCCER's Online Catalog at www.nccer.org.

Assessment Development
All questions are developed and approved by subject matter experts under the direction of NCCER.

Credentials
Upon successful completion of the knowledge assessment, NCCER will send applicable credentials to the assessment center.

Score Report and Training Prescription
Each candidate will have access to their assessment results including their overall score and recommended training.

NCCER Registry
Knowledge assessment results are recorded in NCCER's Registry and become a part of the portable record of an individual's NCCER credentials.

Focus Statement
The construction foreman interprets management goals, objectives, and policies; communicate these goals to the crew, and translates them into an action plan. The foreman motivates and leads diverse groups of people and has knowledge in the trade area they're supervising. The foreman verifies that tools and equipment are available, ensures a safe work environment, plans work, and adapts to changes in the schedule as necessary.
